November 4, 2020

The Honorable Nancy Pelosi
Speaker of the House
U.S. House of Representatives
Washington, DC 20515

The Honorable Mitch McConnell
Senate Majority Leader
U.S. Senate
Washington, DC 20510

The Honorable Kevin McCarthy
House Minority Leader
U.S. House of Representatives
Washington, DC 20515

The Honorable Charles Schumer
Senate Minority Leader
U.S. Senate
Washington, DC 20510

Dear House Speaker Pelosi, Senate Majority Leader McConnell, House Minority Leader McCarthy, and Senate Minority Leader Schumer:

On behalf of Habitat for Humanity International and the 525 Habitat affiliated organizations from all 50 states, Washington, D.C., and Puerto Rico listed below, we call on Congress and the Administration to immediately pass a COVID-19 relief package that includes mortgage and rental assistance and support for the nonprofit sector that serves our nation's communities.

Before the COVID-19 pandemic hit, more than 18 million U.S. households were already spending half or more of their income on housing. Now, with tens of millions of individuals having filed for unemployment since March, the situation is much worse. Temporary government relief measures have slowed the crisis but have failed to provide long-term housing security. At a time when a safe and decent home has never been more important, millions of American families need action to make the cost of home something we all can afford.

We urge Congress and the Administration to immediately take further action and pass a pandemic relief bill to:

- Stabilize homeowners by boosting foreclosure prevention through the creation of a Housing Assistance Fund, as outlined in [S. 3620](#), or the Homeowner Assistance Fund, as outlined in [H.R. 6729](#), and
- Provide critical support to all nonprofit organizations by helping them retain employees or hire new ones through the WORK NOW Act, as outlined in [S. 3747](#).

Additionally, with the current continuing resolution set to expire on December 11, it's imperative that Congress and the Administration also pass a robust fiscal year 2021 budget that fully funds housing priorities.

Habitat's mission is to ensure everyone has a decent place to live. Achieving this outcome is important now more than ever to move the country forward. With the elections now behind us, any current and future lawmakers must prioritize not only addressing the immediate affordability needs of families facing eviction or foreclosure due to the coronavirus pandemic, but also the ongoing, structural unaffordability of home for low-income individuals and families across the rental and homeownership spectrum.

As we look to strengthen our economy and improve the health of our nation, Congress must recognize investment in housing as infrastructure and a vital part of our recovery. Additionally, our nation must

We build strength, stability, self-reliance *and* shelter.

prioritize policies that ensure that access to safe, healthy and affordable housing is equitable by rectifying legacies of systemic housing discrimination, closing racial gaps in homeownership, and building communities of opportunity for all.

Thank you for your consideration of Habitat's priorities. We look forward to working together to ensure that every family has a stable and affordable place to call home.

Sincerely,

Habitat for Humanity International and below signed state and local affiliated organizations
